Testimonials

All I can say is Dynamo!

---Senior Chief Thom Shea, US Navy, Seal Team 7

For Baby-boomers to soon-to-be college grads, the message is clear: We need to strap on our own tool belts and get to work, . . . the most inspiring talk on entrepreneurial change I have ever heard.

--- Kathleen Greco, Business Owner, WA

About Tawn:

Tawn Holstra is a dynamic and engaging speaker who lights up a room with her energy. Her expertise comes from 30+ years of business management, hands-on performance coaching, and building five companies from scratch. Interactive, conversational, and with the use of fun, short exercises, audiences laugh while they learn and walk away with the freedom to take new actions that produce tangible results.

With 20+ years and 40,000 people under her belt, Tawn engages with her audiences about real issues they face with compassion and a true commitment to make a difference. Each talk is custom designed to fit the specific needs of her client and provides insight, inspiration, and practical tactics and strategies that can be implemented that day.

If you are looking for:

- *Inspiration without cheerleading*
- *Relevance and being moved to action*
- *Audience interaction*
- *Real insight into what's next*
- *Content that is practical, usable, and memorable*

Then Tawn Holstra is the right speaker for you.
